

Authorization

If you would like to sign on to this open letter please fill out the form below and fax it to NAPW at 212-255-9253.

By my signature below, I grant the National Advocates for Pregnant Women and the South Carolina Women's Health Coalition permission to add my signature to an open letter asking that solicitors in South Carolina to use their discretion to refrain from prosecuting pregnant women who need treatment not jail.

Print Organization Name

I am signing on behalf of my organization, you may list the organization on the open letter

I am signing as both an individual and on behalf of my organization, you can use both names in the open letter
