Comments on any of the above:

15. Please comment generally on the *value of the Summit topic to you and your work*. To what extent did you find the information/sessions informative, helpful, and/or relevant? Did you gain any new insights, personally or politically? Please explain.

16. What action -- in terms of advocacy, organizing, education, and/or coalition building-- would you like to see taken as a result of this Summit?

17. Is there anything about this Summit that inspires *you* to take action or approach your work differently? Will you be able to implement any new actions or make tangible changes, based on the information/training you received here? If not, what could we have done differently to make the material/program more applicable?

18. In your opinion, what was the best aspect of the Summit? Please explain why.

19. If you were planning the next summit, what would you do differently? Please explain why.

20. Please use this space to tell us anything else you would like us to know.
