

# Stancliff Declaration

## Exhibit A

## **CURRICULUM VITAE**

Sharon Stancliff, M.D., FAAFP  
Harm Reduction Coalition  
22 West 27<sup>th</sup> Street, 5<sup>th</sup> Floor  
NYC, NY 10001  
212-213-6376

### **EDUCATION**

- University of California, Davis, School of Medicine: Medical Doctor 9/83-6/87
- University of California, Santa Barbara: premedical courses 6/81-6/83
- North Seattle Community College: Practical Nursing Program 9/78-8/79
- University of Washington: Bachelor of Arts, Anthropology/Psychology 9/76-6/78
- American College of Paris, France 9/74-6/76

### **POST-GRADUATE TRAINING**

- Nicholas Rango HIV Clinical Scholar, AIDS Institute, New York State Department of Health, Beth Israel Medical Center, New York, NY. 7/95-6/97
- University of Arizona, Tucson AZ. Internship and Residency in Family Practice 7/87-6/90

### **LICENSURE AND CERTIFICATION**

- Fellow of the American Academy of Family Practice 2007-present
- American Board of Addiction Medicine 2008- present
- American Society of Addiction Medicine 2005- 2008
- American Board of Family Practice 1991-present
- New York License 184365
- Arizona License 19582

### **PROFESSIONAL EXPERIENCE**

- Harm Reduction Coalition, New York, NY: Medical Director: 3/05- present
- AIDS Institute, New York State Department of Health, New York, NY: Medical Consultant 3/05- present
- AIDS Institute, New York State Department of Health, New York, NY: Public Health Physician II: 11/97- 2/05
- Harlem East Life Plan, New York, NY: Medical Director of a methadone maintenance treatment program with co-located primary care services: 10/97- 12/05
- Beth Israel Medical Center New York, NY: Primary Care Initiative Attending Physician: 2/98-6/98
- Robert Mapplethorpe Residence, Beth Israel Medical Center, New York, NY: Attending Physician in a residence/drug treatment facility for AIDS patients: 7/96-6/97

- Betances Health Unit, New York, NY: Medical Director; community health center: 9/91-6/95
- Betances Health Unit, New York, NY: Attending physician: 11/90-9/91
- Licensed Practical Nurse in Seattle WA and Fresno CA: 9/79-6/81

## **CONSULTING**

- FDA/CDER Special Government Employees Food and Drug Administration/ Center for Drug Evaluation and Research 9/10
- Harlem East Life Plan, New York, NY 2009-present
- Reckitt Benckiser Speakers Bureau on buprenorphine August 2008- 2012
- Project VIVA Advisory Board Rapid vaccination of hard-to-reach populations, New York Academy of Medicine 2004- 2006; refunded 2008- 2012
- American Society of Addiction Medicine. Faculty member for buprenorphine waiver training 7 trainings: 2004- 2005
- New York/New Jersey AIDS Education and Training Centers –Training clinicians on opioid maintenance, issues for managing HIV infected substance users and hepatitis C clinicians: 2003-present
- Clinical Educational Initiative-Training Consultant: – Training clinicians on opioid maintenance, issues for managing HIV infected substance users and hepatitis C: 2000-present
- Harm Reduction Training Institute Consultant- Training social service providers: Opioid Maintenance: 2000- 2005
- National Development and Research Institutes- Training Consultant: Methadone, Hepatitis C. 2000-2005
- About Methadone by Holly Catania. Drug Policy Alliance - Collaborator on patient education booklet. 2002
- US Public Health Service, Ryan White Title IIIb Consultant: Primary Care Effectiveness Review. Seattle & Yakima WA . 11/94

## **INTERNATIONAL CONSULTING**

- Mobilizing Global Response to Overdose Mortality, Geneva Switzerland, 11/11
- PEPFAR Regional Workshop on HIV and Drug Use HIV Prevention, Care and Treatment for People Who Inject Drugs: A review of evidence-based findings and best practices sponsored by PEPFAR Kiev, Ukraine 7/11
- International Center for AIDS Care and Treatment Programs Mailman School of Public Health Columbia University –
  - Zanzibar, Tanzania developing programs serving heroin users 2007-present
  - Assessment of Medication Assisted Therapy in Kazakhstan for ICAP Columbia 5/12
- Clinton Foundation Consulting on implementation of methadone in maternity settings: Kiev, Dnepropetrovsk, Poltava 4/11

- Pangaea Foundation & Clinton Foundation- Consulting on the initiation of opioid substitution treatment and development of local Narcology mentors in Dnepropetrovsk, Ukraine; 12/06- 11/09
- International Harm Reduction Development Program, Open Society Foundation 2009-present
  - Led a study tour of East Africans in Mauritius to attend a conference and visit services for drug users 10/09
  - Met with drug user groups in Kiev and Dnepropetrovsk Ukraine regarding opioid maintenance treatment 11/09
  - Attend Center for Supporting Community Development Initiatives conference to present on overdose prevent, trained physician on overdose prevention. Offered training of training to drug users groups from 3 cities, Hanoi and Hai Phong Vietnam 6/10 with support continuing via email and US visits
- United Nations Office on Drugs and Crime- trained HIV clinical advisors on implementing overdose prevention programs 7/10

## **MAJOR PROJECTS**

- Reducing stigma against drug users: Targets health care providers, interventions include talks by a physician and former drug user, CME accredited health bulletins and a social marketing campaign. Harm Reduction Coalition; Funding: NYCDOHMH 2007-2008
- Buprenorphine: A low threshold model, Induction of heroin users onto buprenorphine in community settings with transfer to office based clinicians and mentoring of office-based clinicians. Harm Reduction Coalition; Funding: NYCDOHMH 2006- 2008
- Skills and Knowledge on Overdose Prevention (SKOOP) Program Director: Implementation of overdose prevention in New York City and New York State: Harm Reduction Coalition; Funding: NYCDOHMH 2005- present NYSDOH 2000-present
- “Can You Say Buprenorphine?” Collaboration with Building Bridges to Better Care in providing CASAC approved training to non-clinical providers on buprenorphine through trainings in tandem with the trainings offered for physicians. AIDS Institute; Funding: SAMHSA 2004-5
- Buprenorphine Implementation- Delivery of trainings to clinicians, social service providers and syringe exchange staff on buprenorphine and the role of opioid maintenance. AIDS Institute 2002- 2005
- Expanded Syringe Access Demonstration Project Implementation Team- Delivered seminars, developed materials, and developed guidelines in implementing this legislation. AIDS Institute 2000-05
- Providing Care to Substance Users with HIV. New York State Department of Health, AIDS Institute Targeted Provider Education Demonstration Program Curriculum Development: Development and delivery of a Training-of-Trainers curriculum. AIDS Institute 2000-02

## **COMMUNITY ACTIVITIES**

- International Doctors for Healthy Drug Policy Advisory Panel 2012-13

- New York Society of Addiction Medicine; Executive Board, treasurer 2/10- present
- Naloxone Overdose Prevention Education group 2010- present
- Project Lazarus: Overdose Prevention in Wilkes County, NC. Board of Directors, 2009
- Streetside Health Project: Founder and participant in a volunteer organization providing medical care and education at NYC syringe exchanges education of medical students about harm reduction and supervision of medical students in a yearly adult vaccination campaign. 1992-2003
- Harm Reduction Coalition: medical review of educational materials. 2000-2004
- Lower East Side Harm Reduction Center New York, NY Board of Directors, Executive Committee. 9/95-6/98
- Lower East Side Harm Reduction Center New York, NY: volunteer. 1992- 1999: Street outreach at a syringe exchange program
- Santa Barbara Rape Crisis Center, Santa Barbara CA: volunteer 1981-83

## COMMITTEES

- Pre-Exposure Prophylaxis Work Group AIDS Institute 2012-present
- Pharmacy Advisory Committee, AIDS Institute 1999-present
- Interagency Workgroup on Prevention of Prescription Drug Misuse, Diversion and Overdose reporting to the Governor's office: participated in the "Overdose", "Toxicology Screening" subcommittees 9/11- present
- SAMHSA Buprenorphine Expert Panel 9/11-present
- Expert Roundtable Overdose Prevention in Opioid Treatment Programs participant; SAMHSA, ASTHO Arlington VA 9/10
- Clinical Education Initiative Steering Committee, AIDS Institute, NYSDOH 2006-present
- HCV Community Advocacy Workgroup, AIDS Institute, NYSDOH, 2005-present
- National Advisory Committee (NAC) of the Buprenorphine and Integrated HIV Care Evaluation, Special Project of National Significance, HRSA, 2005- 2009
- New York State Hepatitis C Guidelines Committee, 2004-2006
- Urban Research Center Community Action Board, New York Academy of Medicine; AIDS Institute Liaison 2002- 2005
- Substance Use Advisory Committee, AIDS Institute, NYSDOH 2003-present
- General Preventive Medicine Residency Advisory Committee, Mt. Sinai School of Medicine 2002-present
- New York State Viral Hepatitis Strategic Planning Summit Participant 2003
- Pharmacy Advisory Committee, AIDS Institute, AIDS Institute liaison: 2001-2005
- Manual for Primary Care: Effectively Caring for Active Substance Users: Advisory Committee, New York Academy of Medicine 2001
- New York Academy of Medicine Program Review Panel 2001- present
- Medical Advisory Panel, Office of Alcohol and Substance Abuse Treatment, 2000-present
- HIV Health and Human Services Planning Council of New York City, Alcohol and Other Drugs Workgroup member 1998-2005

- HIV Health and Human Services Planning Council of New York City, Data Workgroup member 2000-2003
- New York State AIDS Institute HIV Quality of Care Advisory Committee: member 1997- present
- New York State AIDS Drug Assistance Program Clinical Subcommittee: member 1997-present
- New York State AIDS Advisory Council Subcommittee on Harm Reduction 1996

## **PROFESSIONAL SOCIETY MEMBERSHIP**

- International Doctors for Healthy Drug Policy
- American Academy of Family Practice
- International AIDS Society
- International Harm Reduction Coalition
- American Society of Addiction Medicine
- New York Society of Addiction Medicine

## **AWARDS**

- AIDS Institute, NYSDOH, Nicholas A. Rango HIV Clinical Scholars Graduate Award for Leadership and Advocacy 2005
